Subject: - Quotation for Design and Preparation of BOQ of Seventh Day Hospital Building M.A. Jinnah Road in Karachi

Dear Sir,

Acco is pleased to submit our best quote for subject work as follows: -

Sr.#	Description	Covered Area	Rate (Rs.)	Amount (Rs.)
1	Architecture Design (Ground to 2nd Floor)	75,000/-	50/-	3,750,000/-
	Total Cost			3,750,000/-

Payment Schedule

Sr.#	Stage of Payment	Percentage	Payment
1	Advance	25%	937,500/- Rs.
2	On Completion of floor plan	25%	937,500/- Rs.
3	On Completion of 3D elevation design	25%	937,500/- Rs.
4	Completion of final Architecture Drawings	25%	937,500/- Rs.
	Total	**100%**	**3,750,000/-Rs.**

Visit Charges

Sr.#	Description	Payment
1	Site Visit Structure (Engineer / Architect)	30,000/- Per Visit

Note: Total visits will be conducted as per design requirements or upon client's request.

List of Architectural Design Work

3D Elevation Views

Realistic 3D renderings will showcase the building's external appearance, including facade design, material finishes, and overall aesthetics.

Architectural Drawings

Complete architectural plans including floor plans, sections, and elevations, ensuring accurate space planning and design detailing.

Public Health Drawings

Plumbing and sanitary layouts covering internal and external water supply and drainage systems, designed as per local codes.

Electrical Drawings

Power layouts, lighting design, and circuit distribution plans, including load calculations and DB placements for safe and efficient wiring.

HVAC Drawings

Design of heating, ventilation, and air conditioning systems with duct layouts, equipment locations, and ventilation calculations.

Medical Gases System

Centralized piping layout for medical gases like oxygen, vacuum, and medical air, designed to meet hospital safety standards and codes.

BOQ (Bill of Quantities)

Preparation of a detailed BOQ for all architectural, civil, electrical, and plumbing works. Material take-offs. Quantity estimation. Specifications and rate analysis. Load estimation and equipment sizing.

ACCO Architects Services – PMDC & WHO-Compliant Hospital Design Experts
When it comes to designing excellent healthcare facilities, choosing the right architecture firm is critical. ACCO Architects has emerged as a leading name in hospital design, providing innovative, functional, and PMDC and WHO-compliant architectural solutions for hospitals and medical centers across Pakistan.

Why ACCO Architects is the Top Choice for Hospital Design
ACCO Architects stands apart due to its specialized healthcare expertise, commitment to PMDC regulations, WHO standards and a client-focused approach to healthcare facility design. Here is why healthcare professionals and investors choose us:

1. PMDC & WHO Standard-Compliant Hospital Design
At ACCO Architects, we design hospitals that strictly comply with Pakistan Medical & Dental Council (PMDC) and World Health Organization (WHO) guidelines for healthcare facilities.

Our designs ensure:
1. Patient safety and hygiene protocols
2. WHO-recommended infection control zoning
3. Proper ventilation, isolation, and sanitation areas
4. Emergency department design per WHO emergency care framework
5. Medical waste management areas
6. Natural light and ventilation standards for healing environments
7. Accessibility and inclusive design for all patient groups

Following WHO guidelines allows us to create hospitals that are not only compliant locally but also ready for international accreditation (e.g., JCI, ISO).

2. Trusted by Doctors, Surgeons & Healthcare Investors
ACCO has worked with:
1. Leading consultants and surgeons
2. Hospital CEOs and healthcare groups
3. Medical universities and government health departments
4. NGOs and donor-funded healthcare projects

Our deep understanding of clinical requirements such as ICUs, OTs, Radiology Suites, and Diagnostic Labs ensures patient-centered design with clinical accuracy.

3. Complete Design-Build Services for Hospitals We offer end-to-end turnkey hospital construction services, starting from concept to completion under one roof.

ACCO's hospital design services include:
1. Feasibility reports and site selection
2. Hospital master planning
3. WHO-compliant architectural drawings
4. MEP & HVAC design for healthcare standards

5. Medical gas & specialized systems integration
6. Structural engineering
7. Fire protection and safety compliance
8. Construction supervision and quality control

4. WHO-Aligned Healthcare Infrastructure ACCO Architects ensures all healthcare designs align with WHO infrastructure planning guidelines. We integrate:

1. WHO's Essential Environmental Health Standards in Health Care
2. Standards for infection prevention and control (IPC)
3. Emergency Preparedness Design (EPDs)
4. Patient and caregiver safety protocols
5. Climate-resilient health facility concepts

This approach prepares hospitals for both routine and emergency medical operations such as pandemics, trauma care, and disaster readiness.

5. Custom Hospital Designs for All Scales From small dental clinics to 300-bed multi-specialty hospitals; we offer customized planning based on project needs.

Hospital types we specialize in:

- General and Teaching Hospitals
- Gynecology & Pediatric Hospitals
- Oncology & Radiology Centers
- Cardiac & Dialysis Units
- Emergency and Trauma Centers
- Maternity and Neonatal Care Units
- Labs and Diagnostic Imaging Suites
- Rehabilitation and Physiotherapy Centers

6. Nationwide Projects with International Standards Headquartered in Lahore, ACCO serves clients throughout Pakistan, the Middle East, and South Asia. Our projects are designed to meet:

1. WHO Healthcare Infrastructure Standards
2. PMDC Guidelines (Pakistan)
3. Punjab Healthcare Commission (PHC) standards
4. Building Code of Pakistan – Seismic & Fire Safety
5. ASHRAE, NFPA, and JCI Requirements

What Makes ACCO Architects Better?

PMDC + WHO-Compliant Hospital Designs

1. In-house Architects, Engineers & Medical Planners
2. Proven Experience in Functional & Clinical Layouts
3. Equipment Flow & Facility Management Integration
4. Fast-Track Project Execution
5. Turnkey Construction & Supervision

Terms & Conditions:

1. This quotation excludes any tax.
2. Work will start after advance payment.
3. We will be providing A3/A2 size drawings for approval & construction.
4. Completion time for the Project is around 5 Weeks.
5. If the area of the design increases or decreases, the charge will also increase or decrease accordingly.
6. This quotation is valid for 30 days from above mentioned date.

We will be obliged for your cooperation in this regard.
Thanks & Regards.
Tanveer Ahmed
